### #1 B to B Sales Opportunity in the USA

#### Consider the following:

- Drinking water is the #1 consumed beverage in the USA – Surpassing carbonated beverages in 2016
- 62% of Americans surveyed expressed “concern” regarding drinking water – Gallup Poll
- Recent water issues in the news;
  - Hexavalent Chromium and Pharmaceuticals found in Atlanta, Georgia
  - Lead issues in Flint, Mich., Baltimore, Md. and all over US
  - Nitrates warnings in Columbus, Ohio
  - Algae blooms and toxic sediment in Cleveland, Ohio
  - USA Today headline “4 Million Americans could be drinking toxic water” 12/15/2016
- Consumers are seeking new alternatives to their drinking water options more than ever before!

### Why #1 B to B Sales Opportunity in the USA

- Pure Water Technology offers an *exclusive patented system* to all of these water concerns that is unique to the Atlanta area
- Pure Water Technology has **no competition**
- Average sales comp of **\$77,541** and growing
- A proven **selling process** that made us the **#1 Dealer in the Country**
- This patented “*bottleless*” drinking water purifier is a **cleaner, greener and safer alternative** to **obsolete 5 gallon water coolers, ineffective filter machines and contaminated water fountains.**
- Companies** are *focusing on hydration* as a vital part of **health and wellness programs** that has opened new and exciting doors for our sales reps to walk into. **Our business has doubled since 2013!**
- 90%** of our prospects **do not** shop for competitive quotes. **WOW!!**

### Who has succeeded with us – What we look for

- Exceptional hunter – Fearless new business skills
- Previous sales experience – minimum 1 year outside sales
- Health conscious and healthy appearance
- Excellent presentation and persuasive skills
- Proven ability to be resourceful at networking events, shows and gaining referrals
- Strong phone skills – setting new appointments and handling known objections
- Good qualifying skills – identify best prospects quickly
- Sales reps that achieve personal **bests in income and sales results** following our **playbook**
- Ability** (capable of doing) **Motivation** (drives you in the right direction) **Attitude** (determines how you do) and **Effort** (getting it done)

## Who we are

Pure Water Technology is the fastest growing B to B drinking water company in the USA. We provide a patented and exclusive bottleless purifier to commercial business and industry that our customers **LOVE!** This “**high end**” purifier is an alternative to obsolete 5 gallon bottles water coolers, cheap filter machines, and antiquated water fountains. **Over 4,000 companies** have been **enjoying our service since 2005** and our business has doubled in the last three years. We are currently located in Ohio, Georgia and Maryland with new markets being planned.
